

OUR STAKEHOLDERS CREATING RESPONSIBLE AND SUSTAINABLE VALUE

Eurazeo PME has been mapping its stakeholders since 2011. A further step was taken this year with the publication of a materiality matrix. This work will rank and compare the priority challenges of Eurazeo PME and stakeholders.

The materiality matrix created in 2016 was used to identify economic, social, environmental, and governance challenges deemed as priorities by Eurazeo PME and its stakeholders. It sets out high and converging expectations with regard to value creation: responsibility and long-term commitment.
